

MyISIS High School Online Grade Entry How-to

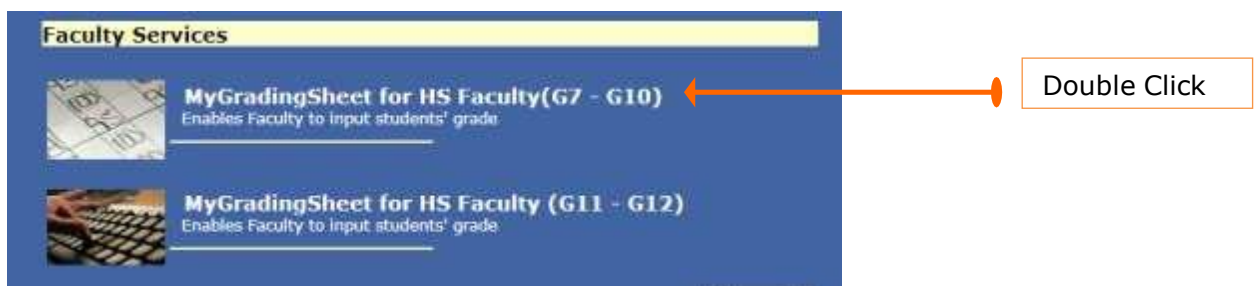

MyISIS is the enterprise web portal for students, faculty members, and the staff of St. Scholastica's College.

The Online High School Grade Entry is a module in the MYISIS that enables faculty to encode the grade of the students online.

This How-to aims to guide users on how to use the High School Online Grade Entry Module of the MyISIS.

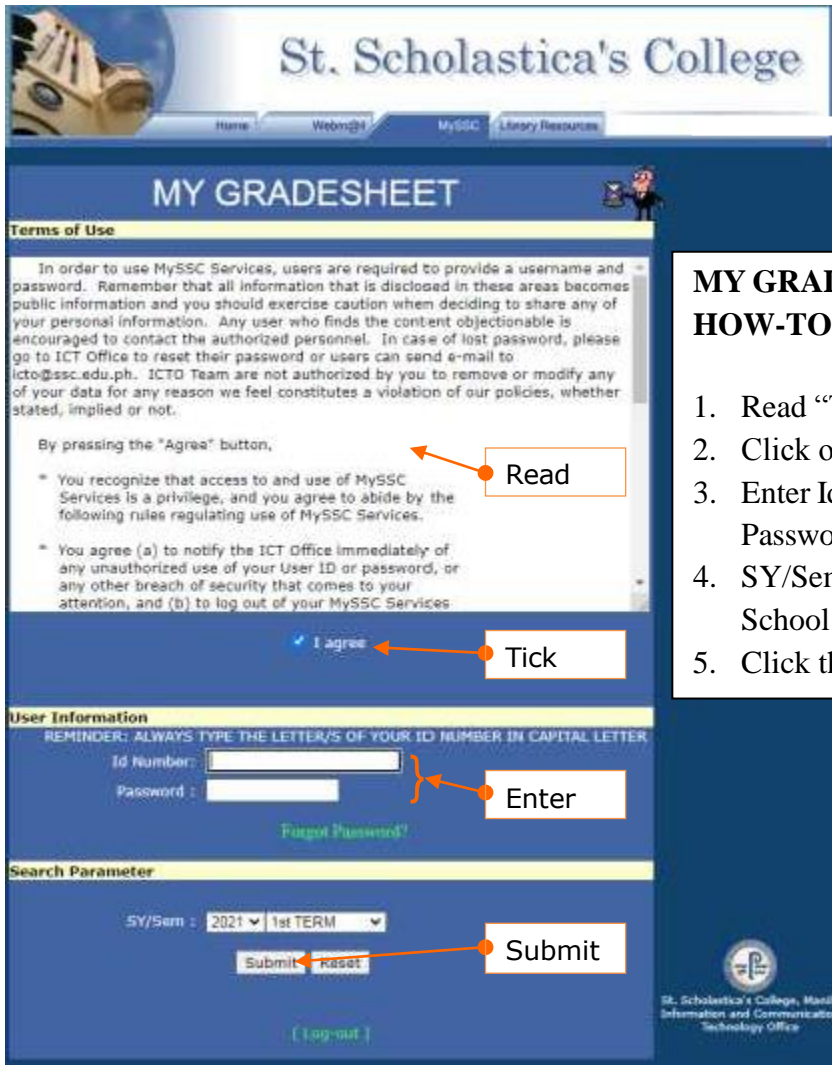

HOW TO USE MYISIS High School ONLINE GRADE ENTRY MODULE

1. Open your browser of choice.
2. To access the High School Online Grade Entry Module, type <https://myisis2.ssc.edu.ph/hs/> on your address bar.
3. Look for Faculty Services and click on MyGradingSheet.

Screen 1. Main Page

4. Clicking the appropriate link directs you to the Login page below:

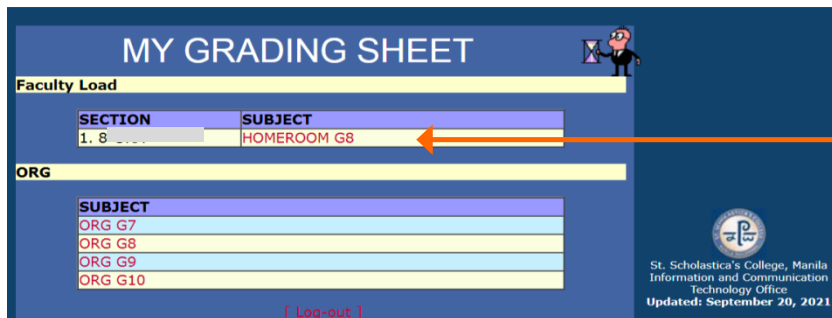

**MY GRADING SHEET

- Repeat the process for the other subjects on the Faculty Load Page, if any.

13. Once done, the Faculty Load Page now records the date and time of the grade submission.

Screen 6. Faculty Load Page

14. Click on the Log-out link to close the module.

Please note:

- You may go back to the subject list, review, or make corrections to the grades if needed while the High School Online Grade Entry schedule is still open.
- You may take a screenshot or print the Grading Sheet page for your reference.
- If any discrepancy on the subject list or student list, immediately report to the High School Office.
- You may email ICTO at icto@ssc.edu.ph for password reset if you forgot your password.
